From (Name) C. A. HENDERSON, ESQ., V.D., I.C.S.
(Designation) COMMISSIONER OF LABOUR & RURAL UPLIFT.

To The Secretary to the Government of Madras,
DEVELOPMENT Department.

Sir,

According to G.O.NO.MS. 1193 L., P.W. & L. Dept., dated 11-4-30 and No.13 L.MS. P.W. & L. Dept., dated 5-2-31, the Depressed Classes Mission, Mangalore was originally getting every year a grant of Rs.3840/- at Rs.320/- per mensem for the maintenance of 40 adi dravida pupils for 12 months. It is now paid a grant of Rs.3750/- a year for the maintenance of 75 pupils at Rs.5/- each per mensem for 10 months with reference to G.O.No.MS. 1326 Dev. Dept., dated 8-8-36. In his letter dated 24-7-37 (copy enclosed), the Honorary Secretary of the Mission requests that the grant may be increased to enable the Mission to maintain 100 pupils during 1938-39.

1938-39. He says that the present strength of the Boarding Homes of the Mission is 91 and that every year there is a large number of applications for admission. But the Mission could not admit all the applicants as the sanctioned strength of the Boarding Homes is limited. The Collector of South Kanara supports the request of the Honorary Secretary for increase of grant. A copy of the statement received from the Secretary which gives particulars of applications receive number of pupils admitted etc. into the hostels of the Missio during the years 1936-37 and 1937-38 is enclosed.

2. I agree with the Collector that there is need for increasing the grant to the Mission. In another connection, I have recommended to Government that the period of grant to the Mission may be increased from 10 to 11 months in the year. At Rs.5/- each per mensem for 11 months, the amount required for 100 grants is Rs.5500/-, which involves an additional provision of Rs.1750/- (Rs.5500/- minus Rs.3750/-). I request that with effect from 1938-39, Government may be pleased to sanction the payment to the Mission of an increased grant of Rs.5500/- a year for the maintenance of 100 Hindu Depressed Class pupils at Rs.5/- each per mensem for 11 months subject to the condition that if at any time the number of pupils maintained falls below 100 proportionate reduction will be made. The proposal may be considered as a Part II Scheme and the additional provision of Rs.1750/- required may be provided in Part II of the budget for 1938-39.

I have the honour to be,

Sir,

Your most obedient servant,

opy of letter dated 24-7-37 from the Honorary Secretary, The epressed Classes Mission, Mangalore, to the Commissioner of Labor, Chepauk.

The Mission was in receipt of a lump sum of Rs.320/- per mensem sanctioned in G.O.NO.MS. 1193 Public Works and Labour dated 11-4-1930 for all the months in the year on condition we maintained not less than 40 pupils in all the three boarding houses of the Mission. In G.O.No.689, Development Department, dated 1-5-1936, the Government were pleased to reduce the grant per pupil from Rs.8 to Rs.5/- and also the period for which the grants were available from 12 months to 10 months. Under the revised order the Mission is required to maintain 75pupils. Regarding the period of grant I have submitted an appeal to Government against your order as you refused to consider my request to raise the period. In addition to the lump grant of Rs.320/- the Commissioner of Labour is pleased to give a few individual boarding grants as well which, however, are now only 6 in number at Rs.5/- per mensem. By practising economy and careful control of expenditure the Mission has always managed to maintain a larger number of pupils sometimes contributing from its own funds to meet deficits incurred on their maintanence. The following was the strength for a few years before and in 1937-38:

Year.	No. for whom grant was received.	Actual number maintained.
1932-33	52	76
1933-34	50	74
1934-35	48	88
1935-36	49	87
1936-37	72	89
1937-38	81 (75+6)	91

As a general rule no pupil above 12 years and reading in Standards below IV is admitted into the Boarding Houses of the Mission in Mangalore, exception being the Koraga Boarding House at Puttur near Udipi, a Boarding School maintained for the uplift of the Koragas, an aboriginal tribe of the district. As long as the progress and conduct of a pupil are satisfactory, a pupil of Standard IV admitted into the Boarding Houses can manage to remain there till he finishes his education. As every care is taken to

see the pupils study well and behave properly, hardly any pupil fails and so most of them continue for a number of years. Unless the strength of the Boarding houses is increased there is no scope for fresh entrants. Most of the Labour Schools in the district are Lower Elementary schools and the pupils coming out of these institutions naturally seek admission into the Boarding Houses of the Mission to continue their studies. Year after year a large number of applications for admissions are forwarded by the District Labour Officer. The Mission is not able to give admission to them all however deserving they may be. I beg to submit this restriction in admission into our Boarding Houses imposed by us owing to circumstances beyond our control is proving a great handicap for the progress of education among the Depressed Classes of the District. Therefore, I request you to address the Government and recommend that provision should be made for at least 100 pupils from 1938-39 increasing the monthly grant proportionately.

For a long time there was the question of adequate accommodation. That has been solved by the purchase of the Sadhakashram plot in Kadiri where, as you are aware, the Mission proposes to accommodate Standards VI to VIII of the Court Hill Higher Elementary School and the Boarding house for the pupils in those standards retaining in the present buildings Standards I to V and the Boarding house for pupils reading in Standards IV and V and those attending the High Schools and Colleges. This bifurcation also involves extra cost in regard to staff etc. But however, it is unavoidable.

I request you to submit this as Part II scheme for 1938-39.

Part II scheme for 1938-39 - Depressed classes Mission, Mangalore - Boarding grant - Increase.

From the C. of L. and R.U., A-6 No. 5778/37 dated 22-10-37.

Please see the Commr.'s letter on pp. 1-2 C.F. The Depressed Classes Mission, Mangalore, is at present paid a grant of Rs. 3,750 per annum for the maintenance of 75 pupils at Rs. 5 each per mensem for 10 months in the year. The Commr. has separately proposed that the grant may be increased to Rs. 3,850 for 70 pupils at Rs. 5 each per mensem for 11 months. In this file he has recommended that the grant may be increased to Rs. 5,500 with effect from 1938-39 for the maintenance of 100 Hindu D.C. pupils at Rs. 5 each per mensem for 11 months subject to the condition that if at any time the number of pupils falls below 100 proportionate reduction will be made. The reasons are explained at A on p. 2 C.F. and K on pp. 3-4 C.F. The proposed grant is for 11 months in the year instead of the usual period of 10 months - please see in this connection the D.P.I.'s note on p. 2 N.F. in the Linked file I. The expenditure is debitable to the head "47.a.Mis. Depts. - Labour - C.Depressed classes - Education-7.Grants-in-aid - Boarding grants". The file may be sent to Finance for acceptance of the proposal as a Part II scheme for 1938-39.

a larger number of pupils. According to the present proposal, there may not be any necessity for the Mission to contribute from its own funds any portion of the Cost of boarding; for with the Govt. grant for 100 pupils (plus individual grants given by the Commissioner), the Mission may actually be able to board 120 or 130 pupils by practising economy in expenditure as at present. The number of boarders in the current year is 91 only.

3 It is subd. that the grant given by Govt. is only in aid of the resources of the Mission & it should be possible for the Mission to contribute a portion of the Cost of boarding & not depend entirely on Govt. It is for Consideration whether this deptt. may suggest that a demand for a grant for 10 additional pupils may be put forward as a Part II Scheme for 1938-39.

We may agree to 25/- for Pl. II scheme
Clf.

The number of months for which the grant is to be given may also be restricted to 10 as suggested in the linked file above

The Depressed Classes Mission, Mangalore is now paid a boarding grant for 75 pupils at Rs. 5 each p.m. for 10 months in the year. The Commr. of Labour & Rural Uplift has separately proposed that the number of months for which the grant is paid may be increased from 10 to 11, the number of pupils being retained from 75 to 70. The proposal in this file is to increase the number of ~~boys~~ pupils to 100 + to pay the grant for 11 months.

Besides the grants sanctioned by Govt to the Mission, the Commr. of Labour is also giving a few individual grants.

2 From the figures at B on p. 3 C/F, it will be seen that the actual number of pupils maintained at the boarding homes has been larger than that for whom grants are given. The Hony. Secy. of the Mission has explained that by practising economy & by contributing from its own funds sometimes, the Mission has managed to maintain
